# Mrs O'Neill's Message

## Pavers from the 150th Celebrations

The pavers have arrived and are being safely stored for now. We are working with the P&C and a landscape designer to create an improvement plan for the grounds of our school. We asked that the pavers be included within that plan. We would ideally like them to be placed in an area of our school where all of our students will be able to see them on a regular basis.

## 2020 Kindergarten Orientation Day

It was lovely to see so many parents and carers here last week at our Kindergarten Orientation morning. We feel that these sessions provide a valuable opportunity for our families, particularly new families who have their first child starting school, to find out what happens when the children come to school. It also provides a wonderful opportunity for the children to take part in activities in our Kindergarten rooms. The next Orientation day will be this Wednesday 13 November.

Have a wonderful week, Mrs O'Neill
